## Education

### University of South Alabama

2014-2015

Assisted in establishing my hometown's first college radio station to broadcast in several years. Completed coursework regarding formal radio education

### University of Alabama

2004-2008

Attempted a degree in the Academic Study of Religion in order to start a cult, but I spent all my time at the radio station, and it just seemed easier to do from there.

## Skills

- Quick study with any software and familiar with several editing and broadcasting softwares including Adobe Audition, Propellerhead Reason, OMT iMediaTouch, Audacity, StationPlaylist, RadioDJ, and Rivendell
- Tolerant to pressure, enjoys solving unexpected problems, and incapable of anything other than enthusiasm and ambition for all tasks
- Always capable of formulating at least three options.
